· Testosterone Pellet Therapy ·

Pellet Therapy is the superior way to safely, effectively, and economically treat testosterone deficiency and restore you to a stronger, more youthful state.

Some symptoms of testosterone deficiency include:

- decreased libido and erectile function
- low energy
- loss of muscle mass
- mood issues
- irritability

Our patients report a better quality of life, happier relationships, and more desirable professional productivity. Unlike ineffective patches, injections, and creams, pellet therapy just every 6 months provides consistent levels of testosterone without unhealthy spikes and side effects.

Common results from pellet therapy are:

- increased energy and muscle mass
- better sleep
- improved mood and metabolism
- restored libido and sexual function

Get started today and start feeling more like yourself again!

HEALTHY

IN TODAY'S COMPETITIVE WORLD...

First impressions are everything. Aesthetic treatments for men can make that first impression a better one. Men are living longer, staying more active personally and professionally, and still want to look good while they're doing it. **Treatments are designed to help you look and feel better without affecting your natural, masculine look.**

· Anti-Wrinkle Treatments ·

Botox, Dysport, and Xeomin work to relax the muscles that cause deep wrinkles. These quick, easy treatments can wind back the clock and give you a more natural, rested, youthful look.

· Facial Fillers ·

Fillers for men reduce deep wrinkles, replace lost volume, and lessen under-eye hollows or jowls in a completely natural-looking way while maintaining your strong, manly appearance. The result is still you- just less tired-looking and more youthful.

· Painless Laser Hair Removal ·

You don't have to suffer the embarrassment of unwanted hair or the unpleasant bumps, ingrown hairs, and acne from waxing or shaving. **Painless** laser treatments destroy hair follicles and leave your skin smoother than ever - like the hair was never there. Treatments for the back, neck, scalp, ears, nose, and just about anywhere else offer life changing results to men who thought they just had to live with unwanted hair.

· P-SHOT®/PRIAPUS SHOT® ·

Try this revolutionary, patented, painless, drug free, non-surgical treatment proven to deliver life changing results to men suffering from declining sexual capabilities, loss of sensation, erectile difficulties, and lack of stamina. Amazing Long Lasting Results!

NATURAL

· PRP Therapy ·

PRP is being used in all areas of medicine because of its proven effects. Your blood contains stem cell stimulating growth factors that are extracted and placed directly in treatment areas to grow the most healthy new tissue. The face, genitals and hair follicles are great PRP treatment areas for men!

· Vampire Hair® Rejuvenation ·

Hair growth is supported and stimulated with PRP in a patented, comfortable procedure that delivers proven results. PRP Injections, PRP Serum, and Microneedling. Thicker, stronger, healthier hair.

· IPL/Intense Pulsed Light Therapy ·

IPL treatments produce clearer, brighter, more youthful skin. Even one session can remove years of sun damage, brown spots, redness and facial veins. At lunch or after work, these quick, comfortable treatments deliver proven, visible results with little or no downtime.

· Vivace RF Microneedling ·

3 modalities in 1 treatment! Gentle microneedles, powerful radio frequency, and LED light therapy. Painlessly and dramatically reduce wrinkles and scars, tighten skin, remove sun damage, diminish rosacea redness, destroy acne and treat excessive underarm sweating with no downtime.

· Icon 1540 Non-Ablative Laser ·

The 1540 laser removes years of aging, acne scars, sun damage and stretch marks in quick treatment sessions with no downtime.

· SmartSkin Ablative Fractional CO2 Laser ·

If you are looking for the most rejuvenating anti-aging results in the shortest time with only days of downtime, the power of CO2 delivers.

· ViPeel - Intense Chemical Peel ·

A deep peel for powerful anti aging results!

STRONG

· SlimLipo Laser Liposuction ·

Men don't like stubborn fat bulges any more than women do. Precision laser liposuction removes significant volume of fat to smooth and contour your physique. The high-tech laser tip precisely destroys fat without the excessive trauma of traditional liposuction. The fat is removed immediately, leaving no noticeable scars. This in-office liposuction procedure is safe and convenient, using local numbing anesthesia, thereby eliminating the risks associated with general anesthesia and hospital exposure. Men commonly treat the love handles, back, abdomen, and chest with almost no downtime.

· Obagi Medical Skincare Products ·

Powerful prescription skin care products formulated to dramatically reverse the signs of aging. Men need skincare that works and doesn't leave them shiny or glittery. Get serious anti-aging results, or prevent further aging comfortably in the privacy of your home with Obagi Medical. Obagi offers heavy-duty correction and protection for men without fluff, shine, or fragrance. Even Obagi sunscreen is matte and non-greasy. From removing spots and improving texture, to reducing wrinkles and tightening the skin, Obagi delivers serious results!

· Sclerotherapy Vein Treatment ·

Unwanted veins on the legs and feet are easily treated with tiny injections in a simple office visit with no downtime. Most veins dissolve after 1-2 treatments.

· Acoustic Wave Erectile Therapy ·

Low intensity sound wave therapy is restoring erectile function to men without surgery, drugs, or preplanned injections. Sound wave therapy is a painless, safe, natural and effective treatment for ED or declining erectile function.
